

Growing Together

A program at Phillie Bridge Farm
for 2-4 year olds and their parents

6 Thursdays May 13th-June 17th (raindate June 24th)
10am-noon

Join us for fun program at Phillie Bridge Farm, a 65 acre CSA (Community Supported Agriculture) farm just south of New Paltz. The farm includes 6 acres of organic vegetables and berries, an enchanting children's garden, farm animals, an historic farmstead, greenhouses, inspiring views of the Shawangunk Ridge, and a nature trail through a forest and wetland.

Come join us as we celebrate spring on the farm and the cycles of nature that produce our food. **Growing Together** is an opportunity for parents and children to learn and play side by side. Each day, the program will include:

- ♥ An opening gathering circle game and song
- ♥ A gardening or farm arts & crafts activity
- ♥ Harvesting herbs and/or vegetables and making a healthy snack
- ♥ Closing gathering circle game, story and/or song

Cost: \$120 (farm members)/\$135 (non-farm members) per child/parent registrant
